Database Tip

Once you delete a record, you have **30 days** to recover it.

After this time it will be purged from the CRANE Database.

Contact the CRANE project team if you have any questions about this.

New CRANE Clinical Project Lead

We have appointed a new Clinical Project Lead: Craig Russell, Consultant Surgeon at NHS Greater Glasgow and Clyde, will join CRANE from 1 September 2019.

Craig will work alongside our outgoing Clinical Lead, Scott Deacon, until the end of 2019. Together, they will lead the production of the 2019 CRANE Annual Report. We look forward to updating you on this.
