CRANE's biannual checks: Your team's contact details

Twice a year we check that the contact information that we hold for members of your cleft team is correct. **Your team will have received an email about this recently.** For more information about why we do this: Visit [our website](#) or [email us](#).

Huge thanks to those of you who have responded so far.

If you have not yet responded, please do so - our records are only as accurate as the information you provide us with.

You have downloaded the CRANE 2020 Annual Report 312 times!

If you enjoyed the report, why not take a look at our [2020 Local Action Plan](#) and create a local action plan for your cleft team to drive quality improvement?

Meet our new team member

Sophie Butterworth has joined [our team](#) as a Clinical Research Fellow, to contribute to CRANE's work in 2021/22, while Kate Fitzsimons is on maternity leave. She is keen to collaborate on joint projects with clinicians.
