## 'Making It Better' Session

Thank you to all 'Making it better' session participants on 7 Feb 2022.

You helped teams identify ways to provide data of the best possible quality and work towards goals of improving care for children born with child lip & palate.

Download the event summary [here](#).

We are planning a further event **Monday 9 May 2022**. The aim of this session will be to review the Preliminary Audit Report, and answer questions about this.

Please email us at [crane@rcseng.ac.uk](mailto:crane@rcseng.ac.uk) to **express your interest and register** for the session.

## Download our new CRANE Database Demonstration Videos

Created for users in response to common stakeholder enquiries and feedback from the 'Making it better' session.
